## PREFACE

WITH the design of maintaining the utility and efficiency of LOVELL'S MONTREAL DIRECTORY, and of adapting its size and bulk to the convenience of those consulting it, the Publishers continue the printing of the Alphabetical portion in a small but clear type, giving greater prominence than hitherto, by the use of a bold Gothic letter, to the names of Advertisers.

In presenting to the public this issue of the Directory, the publishers trust that the feature above referred to will meet with general approval, as it enables them more satisfactorily to adapt the book to the demands of our ever increasing population.

It need hardly be said that the same labor and effort to secure accuracy which the Publishers have always put forth have not been withheld in the preparation of the present edition, and that this labor has been greatly increased this year, owing to the renumbering of several of our principal streets.

Some idea of the labor involved in the compilation of the work and of the difficulties in the way of securing the accuracy of information at which we aim, may be drawn from the fact that in this year's issue, in the City proper, 13,736 new names were added, 12,535 names were taken out, and 10,668 alterations made in other names. It has also to be taken into account that the whole of the work—compilation, printing and binding—is done within a period of seven weeks.

As usual, the book will be found divided into four parts, viz; (1) The Advertisers' Classified Directory; (2) The Street Directory; (3) The Alphabetical Directory; (4) The Miscellaneous Information.

This book is respectfully dedicated to its generous patrons--THE PUBLIC.

MONTREAL, June 21, 1887.

Entered according to Act of Parliament of Canada, for the year one thousand eight hundred and eighty-seven, by JOHN LOVELL & SON, in the office of the Minister of Agriculture.
